To Whom It May Concern:

I have known James "Jim" Young in a variety of capacities for many years. Our relationship began four years ago when he became a client of mine. Over that time, I have been given the pleasure really get to know Jim. I not only consider him a valuable client but also a very good friend. Jim is one of the few people in my business that if he tells me something, I will take his word to the bank. I believe he conducts his business and lives his life with honor and integrity.

Jim is organized, efficient and extremely competent. He has an excellent rapport with people of all ages. His communication skills, both written and verbal, are excellent.

In summary, I highly recommend Jim for any position or endeavor that he may seek to pursue. He will be a valuable asset for any organization.

If you have any questions, please do not hesitate to contact me.

Sincerely Yours,

Paul Smith
